THE HON'BLE SRI JUSTICE V. ESWARAIAH

W.P.No. 6462 of 2007

:O R D E R:

It is stated that the petitioner started a small-scale business in supplying the plain water to various food outlets at Dharmavaram and nearby villages, Ananthapur district. It is a fact that to sell the plain or distilled water, there should necessarily be a certificate obtained from the Bureau of Indian Standards in respect of the product as per the Food Adulteration Act. As the petitioner could not get such a certificate, she wanted to dispose of the said mineral water plant. It is stated that the first respondent issued a notice dated 15-09-2006 to close down the water plant unit, as the petitioner does not have the B.S.I. Certificate. The grievance of the petitioner is that though she wants to sell away the water plant unit without continuing any business, the respondents are not permitting her to sell away the same.

It is stated that the subject matter of the writ petition is squarely covered by a decision of a learned Division Bench of this court in W.P.No.20832 of 2006 dated 18-10-2006.

Following the said judgment, this writ petition is also disposed of directing the petitioner to submit an application before the first respondent, within seven days from today; and on filing such application, first respondent is directed to release the seized machinery and allow the petitioner to dispose of the same. No costs.
